**ORDER GRANTING MONSANTO'S  
MOTIONS FOR SUMMARY  
JUDGEMENT**

Re: Dkt. Nos. 20742, 20743

Monsanto has filed motions for summary judgement in the above-captioned case because plaintiffs have failed to produce an expert for specific causation. Plaintiffs have not submitted a response, and the opposition deadline has passed. Accordingly, the motions are granted.

Judgement is entered in Monsanto's favor.

**IT IS SO ORDERED.**
